HASTINGS

SOLUTION TO THE QUIZ

The order of the questions provides a logical and informative tour through Hastings, **starting at the beach** and ending in the city center.

- 01** What's in the **Life Boat House** at the beach? How much is the entry?
An exhibition about life boats / sea rescue, free entry
- 02** Which attractions are located **along the seafront** towards the pier?
A little funfair, amusement park, arcades, mini golf
- 03** What is the **»White Rock«**? Where is it located?
A theater, it is located on the White Rock Promenade opposite the pier
- 04** Why is the **harbour of Hastings** unique in Europe?
The port of Hastings has the largest beach-launched fishing fleet in Europe.
- 05** When was the **»East Hill Cliff Railway«** built? How was it operated at that time?
It was built in 1902. It was operated with water and gravity, now with electricity.
- 06** What are the narrow **black wooden huts** next to the **»Old Fishmarket«** called? What are they used for?
*They are called **»Net Shops«** and are used for drying fishing nets and storing fishing equipment.*
- 07** Please write down **three** particularly impressive sights in Hastings:
Smuggler's Caves, Hastings Castle, Blue Reef, Shipwreck Museum, Fishermen's Museum
- 08** What is **»The Old Pump House«** in George Street?
A historic pub and restaurant, a landmark in the Old Town
- 09** In the **square** of the **shopping center** stands the statue of a **cricket player**, who has just hit the ball. Where can the ball be found?
The ball is on the wall of the clock and jewelry shop.
- 10** What is the name of the large **shopping center** in Hastings?
Priory Meadow
